

Sec. 704 ZONING COMPLIANCE PERMITS

Hereafter, no land use shall be commenced or changed and no structure shall be erected or enlarged until the person conducting such use or erecting or enlarging such structure has obtained a zoning compliance permit from the Zoning Administrator. The Zoning Administrator shall issue such permit upon the furnishing in writing, over the signature of the applicant, of such information as may be necessary to establish that the proposed use, structure, or addition is in full compliance with all provisions of this Ordinance, a finding by the Zoning Administrator that such is the case, and payment of a permit fee in the amount of \$10. No zoning compliance permit shall be issued where it appears that any land area required to conform to any provision of this Ordinance is also required as a part of any adjoining property to keep the development or use thereof in conformity with this Ordinance, or to keep it from becoming more nonconforming, if such land area was, at any time subsequent to the commencement of development or use of such adjoining property, in common ownership with such adjoining property. Any zoning compliance permit based on any material false statement in the application of supporting documents is absolutely void ab initio and shall be revoked. No zoning compliance permit shall remain valid if the use or structure it authorizes becomes nonconforming.
